In m-y deep est need You provide  
Exceedingl-y, abundantly  
Above all I could ask or think  
You provid-e

## Chorus

**D A**

**You're all sufficient, all consuming**

**F#m E**

**You uphold me by Your mercy**

**D A**

**You're faithfulness it goes before me**

**F#m E**

**Surely goodness is chasing me**

## Bridge

**D F#m A E**

Every good and perfect thing comes from You  
From the Father of Lig-hts  
From the river of deli - ght

You are my delight  
You're what my heart thirsts for

Drink deep from the river  
Drink deep from the river of life  
Drink deep from the fountain  
Drink deep from the fountain of life

Only You can satisfy  
Only You can satisfy my soul
